

## Vale David Morgan

---

4<sup>th</sup> July 1953 – 21<sup>st</sup> November 2008

It is with great sadness we must inform everyone of the passing of Ton Up and great friend, David Morgan. Dave was one of the most prominent celebrity photographers in the country – he was also very generous with his talent and helped to promote the club whenever possible, even ‘lending a lens’ at the odd Ton Up Wedding. Anyone wanting a good laugh would only have to sit down and listen to one of Dave’s many adventures of pursuing ‘the photo’ – be it at a Red Carpet event here or abroad.

To Di and Ben we offer our deepest sympathy and tireless support. Dave, I’m sure you’re up there somewhere riding the best Norton Commando ever built! Rest in Peace.
